GENERAL PROCUREMENT NOTICE

This notice is an update to the General Procurement Notice 8484-GPN-48089 for this project, published on the EBRD website on 7 December 2016 and updated on 30 May 2018.

The Government of Kazakhstan applied to European Bank for Reconstruction and Development (EBRD) for a loan to support restoration of irrigated lands in Aktobe, Zhambyl and South Kazakhstan Regions (the Project) by rehabilitation of water supply infrastructure in these regions. Rehabilitation will mainly include replacing of outdated water canals in the areas where infrastructure exists to increase water supply efficiency and reduce leakages, as well as construction of new water canals in the areas where water supply infrastructure does not exist.

The Project, which has a total estimated cost of USD 180 million equivalent, is being implemented by the Republican State Enterprise "Kazvodkhoz" and requires the procurement of the following goods and works:

- Procurement of works for replacing of outdated water canals and construction of new water canals in Zhambyl and South Kazakhstan Regions of Kazakhstan (several contracts);
- Specialized vehicles and equipment.

Tendering for the above contracts is expected to start in the 2nd quarter of 2019.

Contracts to be financed with the proceeds of a loan from the Bank will be subject to the Bank's Procurement Policies and Rules and will be open to firms from any country. The proceeds of the Bank's loan will not be used for the purpose of any payment to persons or entities, of for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law of official regulation of the Purchaser's country.
